

on how to get to the clinic from **Yoyogi Station on JR Yamanote Line / Sobu Line**  
(about 5 minutes)

---

Find the East Exit of the Station  
(東口)

The East Exit looks like this.  
Go through the doors and to  
the stairs.

After exiting, you will see a  
Family Mart. Go to the left.

Just before the Seven Eleven,  
go to the right into the street.

Keep walking until the street  
ends.

Wait for the green light to  
cross to the other side, in front  
of a Family Mart. Then turn  
**right.**

Walk until before you reach the train bridge, and turn to your **Left**.

You will see the building of the Yoyogi High school in your right hand. Enter through the glass doors.

After entering the building, go to the stairs **in your right** to the second floor and follow the signs.
